MARTEEN — VINCENT VAN DUYSSEN 2021

1—
8

The Marteen is a multifunctional seating and storage system introducing harmony with perfectly balanced volumes, in an alternation of solids and voids.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.

NOTES

For correct ergonomics and maximum comfort, it is advisable to design each module using one or more back cushions, according to the sizes proposed in the price list.
In addition to correct ergonomics, the presence of these elements gives the product a complete and elegant appearance.

When ordering

Specify the type and the number of backrests.
